Matthew X (16)

"Behold, I send you forth as sheep in the midst of wolves:
be ye therefore wise as serpents, and harmless as doves."

July 5, 1983 —

Jerry Parks called me at the News and asked for 4 more copies of the schedule for the Lecture and Film Series. I delivered 4 copies to his office at about noon on July 6, 1983. I hope he is preparing a large tabloid size supplement/handout on Pioneer Days 1983.

— On July 3, 1983 — Bill Carpenter was told by the Carbondale Police Department that the Carbondale Historical Society was headed by myself. Someone had told him that the Carpenter School near Sukler's pond belonged to the Carbondale Historical Society. Carpenter stopped at Russell's house and Ann got me on the phone and I talked with Carpenter. He is somehow a descendant of Olive Gedding of Carbondale.

— As far as I have received two orders for both microfilm rolls of Northeastern Pennsylvania Genealogical and Local History Reprints, Volume I and II:

1. Scranton Public Library — June 14
2. Wisconsin Historical Society — July 1

— On July 2, 1983, I paid John for 9 hours of work in Maplewood Cemetery (cutting brush and helping me clean up the grounds):

3 hours on 6/23; 3 hrs. on 6/24; 3 hrs. on 7/2.

I paid him at the same rate that he gets paid by Dave Adams (\$4.15/hour).

Payment: SRP Check #113 for \$37.35 — dated 7/2/83
